Additional Resources and Opportunities at DIME

DIME has become a center for performers, songwriters, and music entrepreneurs, and with that comes many opportunities for our growing student body. Our students receive several **performance opportunities** that include end-of-semester student showcases at our on-site music venue, **The Underground @ DIME**, as well as opportunities to perform at events in the Detroit area. Also, students are able to audition and perform alongside well-known musicians through our **masterclass program**.

MSU Denver at DIME Students can consult any instructor about various aspects of their developing musical careers through our **one-to-one system**, which includes a yearly **career action planning tutorial**. Each week, students have access to sessions that focus on subjects like networking, professional development, self-employment skills, and more.

Students have the opportunity to audition original material for DIME's annual student album, **DIME Sessions**, which is recorded and released through the school's affiliate record label, **Original 1265 Recordings**.
